

SEATON, FRED A.: Papers

Scrapbook Series

SCOPE AND CONTENT NOTE

The scrapbooks primarily contain newspaper clippings along with a few invitations, photographs, programs and other memorabilia. Whenever possible original photographs have been replaced with photocopies and the originals transferred to our audiovisual archives.

Scrapbooks should be handled carefully and the pages turned slowly. Occasionally items may become detached from the scrapbook page. Please leave them in place. Also, if there are blank interleaving pages in a scrapbook, these also need to remain in place. The items in Scrapbook No. 2 were almost completely detached and these have been rehoused, maintaining the arrangement found in the original scrapbooks. Although the dates of the scrapbooks overlap somewhat, the items with the scrapbooks are chronological unless noted.
